

Notice of Recruiting Staff about the Educational Project through the International Exchange

We Education for Global Citizenship
Committee of Junior Chamber International ODAWA

will hold the educational project
through the international exchange as follows.
Therefore, we recruit staffs from different
countries for 2 days in this project, so I hope you will attend.

[Purpose of the Project]

First priority is that local children can grow up
to increase the awareness of international community,
but we hope that participants as staffs
can have an opportunity to learn new awareness
from this Japan, this local city and
this local children through this project

6/30
